

Point1 Post

sound services

Point1Post provide post production sound services. We specialise in Film, Feature Documentaries, Shorts and Commercials. Our range of services can be tailored to your specific needs. Point1Post has completed more than 80 productions.

Point1Post is located 5 minutes from Elstree Film Studios. We are just 22 minutes by train from Central London or 40 minutes by car.

Our range of services includes a large Dolby Atmos mixing stage, complete sound packages and our availability as freelance Re-Recording Mixers.

Large Dolby Atmos Mixing Stage
45 Speaker JBL system
2K DCI Compliant Projection
